The Contemporary Club of Ho-Ho-Kus Newsletter

Volume 61 Issue 5

A Message from our President, Jodi Thompson

It's hard to believe that we're already in March 2014! I don't know about the rest of you, but for me, time is flying by. After this winter, I'm definitely looking forward to the spring and summer weather.

Thanks to everyone who came out to the March General Meeting at The Ho-Ho-Kus Inn. I thought that the CPR presentation was very educational and helpful. Thanks to Liz Willkomm's mom, Jan, for taking time out of her busy schedule to educate all of us on CPR and choking.

As I mentioned at the March General Meeting, please mark your calendars now for the upcoming club events, and look for additional information in the newsletter. *(Cont'd on right >)*

I also mentioned at the March General Meeting that over the past two months the club has been doing a lot of great things for families / people in need. We've been able to utilize our Community Emergency Relief Fund and have helped quite a few organizations / people within our community and surrounding communities. I've received numerous thank you notes and letters in the mail thanking us for our generosity and for thinking of them. It's times like this that really touches my heart to be part of such an amazing club.

Thanks to our nominating committee comprised of Kristin Gildea-Fox, Febbie Staniar and Monica Ashley. They did an excellent job putting the slate together for next year's Board. We will be voting on the new slate at the April General Meeting.

Finally, the April General meeting will be business-focused. Please make every effort to attend this meeting. We will be voting on a number of different items for the 2014-2015 club year, and we need a majority of the membership to vote in order for the vote to count. Additionally, committee and volunteer sign-ups will be done at the April meeting.

Thanks and see you all in April, if not sooner!
Jodi Thompson
